

Humana Meeting Info

If you haven't heard by now, we here at the local Humana office in South Carolina are very excited about the Medicare Advantage plans we will have to offer in 2019. We look forward to working along side you to meet the needs of your clients!

We will be offering 3 different kinds of meetings leading up to the start of AEP this year across the state. Please find a description of each meeting below and the meeting schedule attached. Click on the corresponding links to register. These meetings will all be on a first come, first serve basis. We hope to see you there!

2019 Rollout

- This is open to all agents who plan to sell in South Carolina for the 2019 Plan Year.
- We will spend the majority of the time going over the new plans, networks and selling strategies.
- While not required, it's strongly suggested all agents attend.
- It is not required that agents be certified or have completed their recertification to attend this class.
- Brent book (plan summary guide for 2019 plans) will be passed out at this meeting
- This meeting will not serve as recertification, initial certification or provide CE credit hours
- Agents who will be attending do need to register for the meeting they will attend using the links (found in the spreadsheet)

DE SNP Bootcamp

- This is open to any agent who wants to learn more about DE SNP plans, how they work and how to grow their business.
- Registration for these meetings is required, space will be limited.

Advanced Product Training

- We will be holding one of these in each key location in September.
- While these meetings are open to all agents, we are mainly seeking agents who have recently certified online.
- In this meeting we will give them a chance to meet us locally, go over plan and network basics, tips on successfully running their business with the tools Humana has provided as well as answer any questions they may have.
- Registration for these meetings is required, space will be limited.
- We send an invite to these to each agent who certifies online, as well as reach out by phone to invite them.
